DEDICATION

Judy White

The Shamrock Annual Staff is proud to dedicate the 1986 yearbook to Judy White. She graduated from Stephenville High School and attended Southwest Texas State and Tarleton State University, where she received a B.S. in Elementary Education and a M.S. in Education. She is also a Licensed Professional Counselor. Her hobbies include running and making teddy bears. Judy has two sons, Jeffrey and Jeremy. At Dublin High School she serves as the high school counselor and the yearbook sponsor. This is her first year to take over the responsibilities of sponsoring the Shamrock yearbook and the Annual Staff feels that she has done a wonderful job. Without her constant hard work and dedication this annual could not be produced. She has been very thoughtful, kind, generous and most of all understanding, and without her help, we could not have done it. Although we have all had to make adjustments this year, her positive attitude has made it much easier and more worthwhile. In recognition to our yearbook sponsor, the Shamrock Annual Staff proudly dedicates this annual to Judy White.

Who?? Me??

Computer geniuses at work.

Mrs. Leatherwood explains Algebra to Keith or vice versa.

Dublin students having, uh . . . fun?

Yes, your majesty.

Me? A slavedriver?

How about a game, anyone?

Holly and Cindy trying to solve another problem.

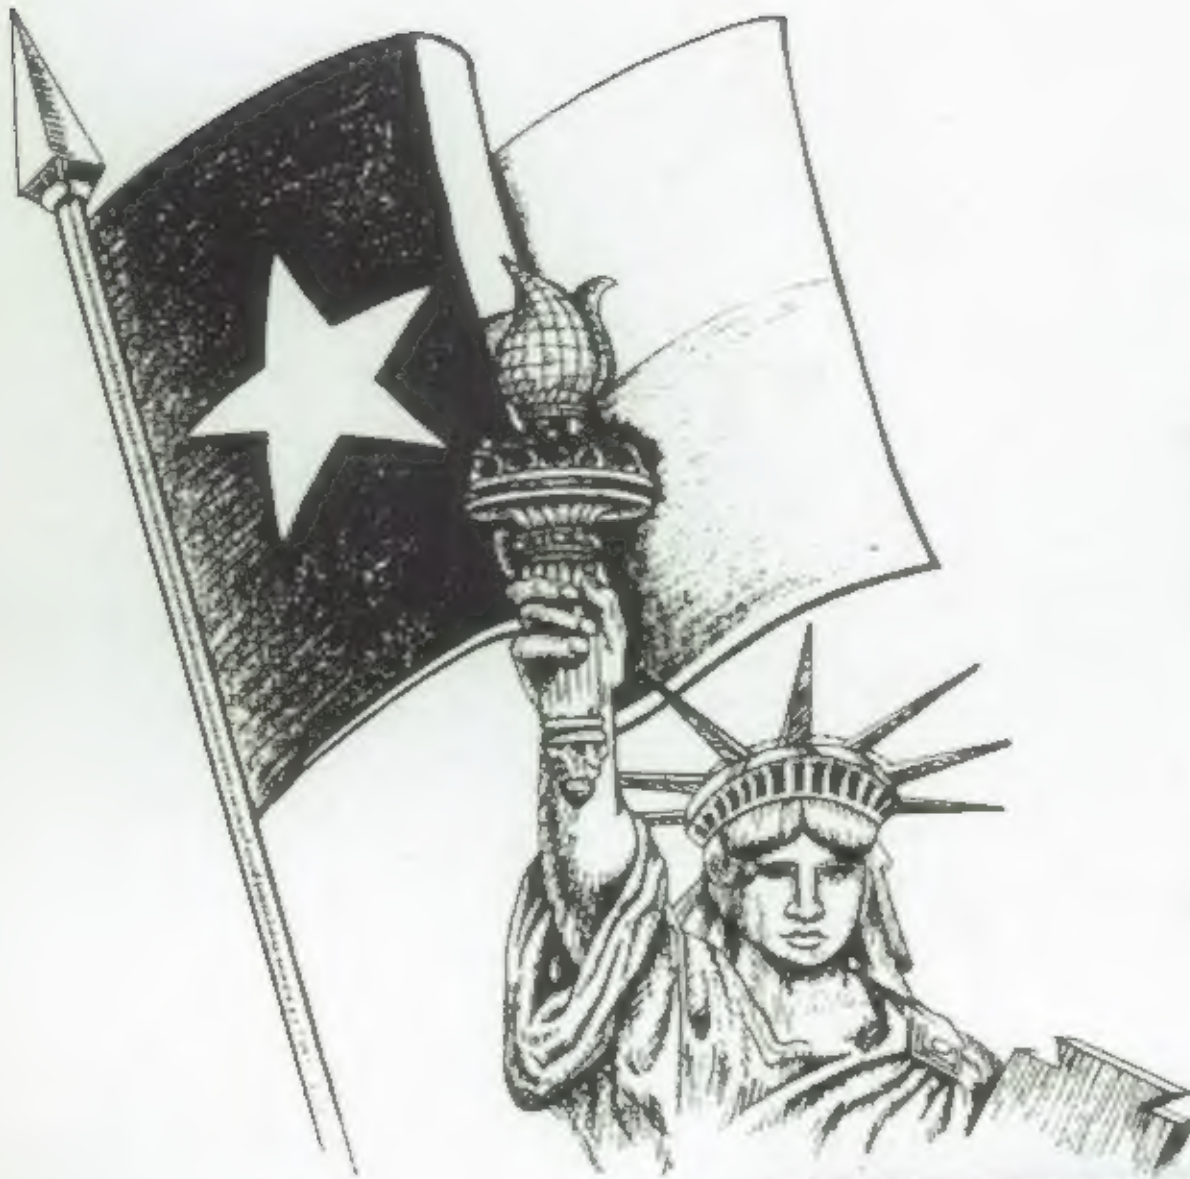

Mmmm . . . Tasty.

Seniors sign yearbooks.

19 GOLDEN

Throughout America her people unite to restore the Grand Lady of Liberty which has long stood for freedom and justice to millions of strife-torn immigrants crossing her threshold to the Land of Opportunity. Now, the Statue of Liberty, approaching a 100th Birthday is showing her age. Many funds have been collected and the restoration process is underway. The completed restoration will be celebrated during Liberty Centennial Week. On October 28, 1986, the centennial of the statue's unveiling, a rededication ceremony will occur on Liberty Island. In October of 1886, the statue was dedicated to America with the words: "Liberty Enlightening the World."

During the year 1986, Halley's Comet has returned after a 75-year journey that took it to the edge of our solar system. Astronomers say Halley's Comet may be seen with the naked eye, binoculars or a telescope. Halley's Comet has been observed a number of times in the past. The oldest recorded sighting is thought to be by the Chinese over 3,000 years ago. Halley's Comet returns every 75 years, so you can expect to see it in the year 2061.

86 MEMORIES

Texas celebrates its 150th birthday. From the cries of "Remember the Alamo!" in honor of those who died fighting for her independence from Mexico, to Sam Houston's overthrow of Santa Anna at the Battle of San Jacinto and the birth of the Texas Republic, and her becoming the 28th, "The Lone Star State," in 1845, all Texans, native sons and adopted, fete her glorious past and promising future on the occasion of her 150th birthday.

Astronauts Ellison S. Onizuka, Christa McAuliffe, Gregory B. Jarvis, Judith A. Resnik,
Michael J. Smith, Francis R. Scobee and Ronald E. McNair

A stunned America watches helplessly as seven of our brave pioneers in the conquest of space perish in the space shuttle Challenger. Especially remembered is classroom teacher Christa McAuliffe who disregarded the peril of her quest in space in the hopes of sharing her experience with the students of the world. Her courage and sacrifice represent the highest ideals of the education profession. The space shuttle Challenger exploded on January 28, 1986, shortly after liftoff.

Parents, Teachers, Friends and Honored Guests

Good evening

Tonight is a very special night for us as seniors. This commencement not only marks an ending, but also a beginning.

What we are celebrating is a commencement, an ending, the climax of years of education, a night that we have eagerly looked forward to for a long time. Some of us feel a definite glow of accomplishment, some an equally satisfying sense of relief, and some of us may even be a bit uncertain about what lies ahead, but we now have the background in education to make the most of what lies ahead in our future.

In the past 12 years we have acquired enough knowledge and have grown physically and mentally enough to receive our diplomas.

We are beginning a new segment of our lives. We all have hopes and dreams. Some are attainable, others are merely dreams. However, each one of us has a purpose and a message to carry.

Tonight we Seniors will be releasing balloons that have our individual messages connected to them. Each message may be different, but each is special because it is something that we have to offer to those around us. It is special because it is meaningful to us and it is a way for us to express our feelings and views. The balloons floating away is symbolic of each of us following and fulfilling our dreams, of carrying our messages.

We have climbed up the mountain and it is one of the many that we will be climbing throughout our lives. However, now that we have achieved this goal, we have the ability to face even more challenges and climb many more mountains. We have obtained this ability in our years of education and now it is upon our shoulders as individuals to accomplish our goals and make the education we have acquired worthwhile.

This accomplishment of ours was easier for some than others. Nevertheless, it is an accomplishment for which we all can be very proud.

We have not achieved this goal alone. We have been helped along the way by many. I would like to express my thanks to our parents, the wonderful teachers who have helped us so much and finally to our sponsors who have been very understanding and supportive in so many ways.

In closing, I would like to share this prayer with my fellow classmates:

O Lord, support us all the daylong, until the shadows lengthen and the evening comes and the busy world is hushed and the fever of life is over and our work is done. Then in thy mercy grant us a safe lodging, and a holy rest, and peace at last.

Good luck fellow Seniors of 1986.

Thank You

David Fritts
Salutatorian

93.92

Welcome Family, Friends, and Faculty

It is often easy to be influenced by others, and it is always easier to go with the crowd. That's why this class is special. We have proven over and over again that we will not let the crowd make our decisions. There is a poem that we all had to memorize in eighth grade titled, "The Road Not Taken" by Robert Frost. The last stanza reads:

I shall be telling this with a sigh somewhere ages and ages hence
Two roads... And that has made all the difference

This poem sums up the feelings and actions of this class. We have in the past taken that less traveled road, and I sincerely believe that it is a path that we will continue to travel. We will continue to make our own decisions — decisions based on right and wrong, not on popularity. In William H. Danforth's book titled "I Dare You!" he says:

The line of least resistance makes crooked rivers and crooked men

So I want to challenge all of you not to follow the line of least resistance and to take the road less traveled by, and see if it doesn't make all the difference for you. I know it has for us.

Junior Activities

Early In September the Dublin Junior Class kicked off the 85-86 school year with a successful school jacket sale.

In February the "pig-out" smorgasbord supper proved to be a second popular class project. The community enjoyed a night out and a good meal as they supported the class.

In January the Junior class started secretly planning the Junior-Senior Prom which took place at the Par County Club on May 10, 1986.

The FTA's main project for the year was to create a time capsule in honor of the sesquicentennial celebration. The time capsule contains the names of all the students in the school, a yearbook, newspapers, a sesquicentennial calendar, and several other items. The capsule will be opened in 2036 on Texas' two-hundredth birthday.

UIL Literary

Jeannie Vanderpool participated in UIL typing and won 1st place at district, 1st place at regional and 4th place at state.

Missy Way also participated in UIL typing. She won 4th place at district.

Dana Taylor, another participant in UIL typing, won 7th place at district.

T. Johnson, Missy Way, and Lisa Bundrant all participated in the science

8th Grade Class Favorites

Tamara Taylor and James Southall

Tamara is the daughter of Sam and Joy Taylor. She was born in Fr. Worth on August 1, 1972. She was a two year captain of the basketball team and has been a two year member of the track team. She was a 7th grade cheerleader, and was 8th grade head cheerleader. Tamara has also been elected cheerleader for the 1986-87 school year. Her hobbies include water skiing, swimming and shopping.

James is the son of Drew and Mary Southall. He was born in Stephenville on December 17, 1971. James is a member of the football team, and a two year member of track. His hobbies include fishing, hunting, water skiing and riding bikes.

7th Grade Class Favorites

Scott Nettles and Angie Bell

Scott is the son of Frank and Gayle Zellers. He enjoys swimming and traveling. Scott has served as president of his class during the sixth and seventh grade. He was elected class favorite during the sixth grade. Scott has participated in football, basketball, and track during this year.

Angie is the daughter of Johnny and Betsy Bell. She enjoys swimming, dancing and being with friends. She was a cheerleader her seventh grade year and was recently elected cheerleader for the coming year. She is currently serving as reporter for her 7th grade class, played basketball and is running on the track team.

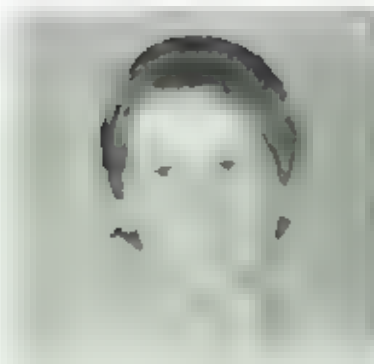

6th Grade Class Favorites

Tesha Shafer and Derick Mathis

Tesha Shafer was born on June 1, 1974, the daughter of Mr. and Mrs. Mike Shafer in Lamesa, Tex. She is a 7th grade cheerleader and her hobbies are cheerleading, gymnastics, listening to the radio, and talking on the phone.

Derick Mathis was born in Temple, Tex. on December 14, 1973. He is the son of Mr. and Mrs. Ricky Mathis. Derick has played basketball and run in track. He likes to fish, hunt, swim, play sports, haul hay, and chop wood.

WAL-MART

**Our Everyday Low Price may
Already be Lower...But if it isn't**

We Will Meet Any Local Competitors Sale Prices
Every Day!

Just bring in their current ad, and if our price on the
identical item isn't already as low as, or lower than
their advertised price, we will immediately meet
their price!

To offer you these additional savings, we must
exclude gimmick promotions, "One of a Kind
items," "double and triple coupon promotions,"
"clearance items," and "flat percentage off items."

THE ANSWER IS "NO"

We don't just sell telephones.

We install phones, jacks, do pre-wires and repair phones (on a 24 hour basis).

We can even sell you a business system. Call today for an estimate.

NOW YOU KNOW THE ANSWER!
